REVIEWS

Halliday Wine Companion - 2024 - 95 Points

"A blend with the heft and richer fruit of shiraz playing rhythm to grenache's more intricate, vibrato lead. This just holds its own, despite the implacable sweetness of shiraz teeming across the edges of restraint. The oak, used to beautiful effect. Boysenberry, raspberry bonbon, clove, pastis and cedar."

Ned Goodwin MW - JamesSuckling.com - August 2023 - 95 Points

"A good amount of old vines in the mix, certified biodynamic. A blend with the heft and richer fruit of shiraz playing rhythm to grenache's more intricate, vibrato lead. A less expensive wine from a top southern Rhone producer as a barometer alongside. This just holds its own, despite the implacable sweetness of shiraz nudging the edges of restraint. The oak, used to beautiful effect. Boysenberry, raspberry bonbon, clove, pastis and cedar. Drink or hold."
